Research Experiences for Undergraduates
Program in Mathematics

Oregon State University
Summer 1996

Dennis J. Garity, Director

This volume contains the Proceedings of the Research Experiences for Undergraduates Program held at the Mathematics department of Oregon State University during the summer of 1996. This program was funded by the National Science Foundation and by Oregon State University. The funding from Oregon State University was provided by the Provost's Office, the Research Office, The College of Engineering, The College of Science, and the Mathematics Department. Dennis J. Garity of the Mathematics Department directed the program. Robert Burton of the Mathematics Department and Paul Cull of the Computer Science Department were additional faculty advisors on the research projects undertaken by the student participants. There were eight undergraduate participants in the program. The papers summarizing the research projects are listed below.

The participants were:

Damon Bell	Oregon State University
Ryan Gould	Oregon State University
Laura A. Pace	Louisiana State University
Carlos Salazar-Lazaro	Rensselaer Polytechnic Institute
Beverly Steinhoff	Boston University
Jean Steiner	Princeton University
Douglas Squirrel	Reed College
Holly Wiitala	St. Lawrence University
