Research Experiences for Undergraduates
Program in Mathematics

Oregon State University
Summer 1998

Dennis J. Garity, Director

This volume contains the Proceedings of the Research Experiences for Undergraduates Program held at the Mathematics Department of Oregon State University during the summer of 1998. This program was funded by the National Science Foundation and by Oregon State University. The Provost's Office, the Research Office, The College of Engineering, The College of Science, and the Mathematics Department provided the funding from Oregon State University. Dennis J. Garity of the Mathematics Department directed the program. Donald Solmon of the Mathematics Department and Paul Cull of the Computer Science were additional faculty advisors on the research projects undertaken by the student participants. There were eight undergraduate participants in the program. The papers summarizing the research projects are listed below.

The participants were:

David Bode	St. Olaf College	Matthew Boylan	University of Wisconsin
Jason Burns	University of South Carolina	Peter Caldwell	Western Washington University
Jennifer Chaffee	Western Washington University	Dorothy Lam	Wellesley College
Andrea Perrine	Oregon State University	Rebecca Virnig.....	University of Chicago
